THE STOOPING SAVIOR: OVERCOMING PRIDE

The Upper Room: Heart to Heart

John 13:1-20

Big Idea: To be close to Jesus and do great things for Him, we have to put away our pride, let Him help us when we dirty ourselves with sin, and serve others just as He served us.

Overcoming Pride Starts with Acknowledging Christ

How does understanding who Jesus truly is change the way you see His act of washing feet?

In what area of your life do you find it hardest to humble yourself? (e.g., at work, at home, in conflict with others, in ministry)

“Greatness in God’s kingdom is determined by how much you humble yourself before Him and others.”

How does this challenge the culture around you - and the culture inside you?

"If I wash thee not, thou hast no part with me."

What does this tell us about the relationship between humility and intimacy with God?

What does the daily habit of bringing our "muddy feet" to Christ look like practically in your week?

Overcoming Pride is Demonstrated in Our Service to Others

What is the most challenging part of knowing Jesus washed Judas' feet? Is there someone in your life whose "feet" you are reluctant to wash?

"If ye know these things, happy are ye if ye do them."

Where in your life do you sense a connection between a lack of joy and a failure to serve?

What is one specific, practical act of service you can commit to this week - especially toward someone who is difficult to love?
