# HOMEBOUND — No Map Needed

*Small Group Discussion — John 14:1–14*

---

*Read John 14:1–14 together before beginning.*

**1.** The sermon opened with the image of being lost — not on a road, but in life. What does your current chaos look like? What specific form does the inner trouble (τράσσω) take for you right now?

---

**2.** Jesus commands “Let not your heart be troubled” — not as a suggestion but as a command. What is the difference between feeling the storm and being mastered by it?

---

**3.** Thomas said out loud what many feel privately: “We cannot find the way.” What “maps” do you tend to reach for when the chaos hits before you turn to Christ?

---

**4.** Jesus says I AM the way — not I know the way or I will show the way. What is the practical difference between following a map and following a person?

---

**5.** Philip walked with Jesus for three years and still asked “show us the Father.” Where has the chaos convinced you God is distant when He has actually been present all along?

---

**6.** The sermon closed with two invitations — one to those who don’t yet know Christ and one to believers whose compass has been buried under the chaos. Which spoke most directly to you this week?

---

---

***You are not lost. You are homebound.***
